are you seeking answers to important issues in life?

Jesus likened those who hear and do His words to a man who built a house upon a foundation of rock. The storms and tempests without could not shake the house because it was built to stand.

Do you seek a firm foundation built upon God's promises? The Basic Life Principles Seminar is for you! Through this course, you will be equipped to answer many of life's questions as you develop and strengthen your relationship with the Lord and learn practical applications of God's truths.

"I am 19 years old and just finished the Basic Life Principles Seminar. I cannot express how it has changed me in a powerful way. I have never been more excited about being a Christian as I am now, and can't wait to go to the seminar next year when it comes back to my area!"
